**Youth Ministry Zoom Hangout**

Our Youth Minister, Mary Dinski, will be hosting a hangout with our St. Mary's & St. Joan's teens every Sunday at 6pm by way of Zoom. Mary also has a background in social work, so she will be leading the teens not only in a faith lesson, but also in activities that will help teens dealing with stress and anxiety during this time. It will be a lot of fun! If you are interested in having your teen participate, please contact Mary at [mary@fiver.org](mailto:mary@fiver.org).

**FROM THE DESK OF FATHER HAGE**

This Sunday, May 10, from 1pm to 2pm, I will be outside St. Mary's in Hamilton with a beautiful icon of our Blessed Mother ready to bestow a special Marian blessing upon all mothers, grandmothers, godmothers, and spiritual mothers who make a visit that day. I will also be saying a prayer for all deceased mothers in your family. The icon of the Blessed Mother is of Our Lady of Jerusalem, and I received this icon in Bethlehem on my trip to the Holy Land last June. Please take advantage of this opportunity to honor the mothers in your life by accompanying them to this special Marian Mother's Day Blessing. I will be setting up an outdoor station where I will bless each car that passes by. Participants are not to get out of their cars during this hour. You do not even have to open your car windows to receive this blessing. You can simply drive up to the roundabout in St. Mary's parking lot, and find me on the front ramp with the Marian icon. Please enter from the Utica Street entrance and depart from the Wylie Street exit. Pull up next to the ramp, stop your car, and I will impart the special blessing (I will make the Sign of the Cross over you with the icon, and you can receive the blessing by making the Sign of the Cross over yourself at the same time). Please take advantage of this opportunity to honor motherhood on this Mother's Day.

Mary Immaculate & St. Joan of Arc, pray for us!

I humbly come before you asking the households in our region to make every Wednesday a day of prayer for all of our amazing local medical teams who are risking their own lives to keep us safe. Every Wednesday, one member of the Hamilton Ecumenical Clergy Coalition will be showing up outside of Hamilton Memorial to pray a blessing over the medical personnel, and to support and encourage them as they carry out their heroic duties. **A Note to/for our Homebound**

For those unable to leave their homes during this time, please know that we have organized a group of 15 volunteers from the parish who are willing and ready to make deliveries in the Hamilton and Morrisville area. These volunteers have already begun to contact the known homebound in our parish communities, and have begun to assess their needs. They will also be calling the homebound once a week to check in on a regular basis. If you know of someone who is homebound, please call the parish office and we can assign them a volunteer. Just to be clear, the volunteers will not be entering these parishioners' homes for the sake of social distancing. They will simply leave resources/supplies at the person's front door step, and also take every precaution to sanitize.

**ARS Donations**

St. Mary's Altar Rosary Society would like to thank the Mlasgar family and the generous contributions from their friends. Through donations in memory of Barb, ARS has received another \$655 so far.

**Buildings & Grounds Update**

The diocese has given St. Mary's permission to begin work on the renovation of the church basement. The diocese now has an essential work permit and they are going to utilize this essential work permit for St. Mary's. You will begin to see a contractor on campus from time to time. There will be no more than one contractor on campus at a time. We are also scheduling contractors in such a way that no St. Mary's staff member or volunteer will be present on campus when a single contractor is present. That way, there is no more than one person in the building at a time. We are excited about the opportunity to begin this work on our church basement. The work will be slow but sure, as we carefully let in one contractor at a time. We are also proud to support local businesses in this process when they very much need these jobs during these difficult times!
